

Local Wellness Policy Assessment Comparison with a Model Policy

The Local Wellness Policy Final Rule requires LEAs to assess the extent to which their district Local Wellness Policy aligns with model policies at least once every three years. Use this form to assess how your policy compares to the Model Policy. Identify the areas of strength and success, as well as the areas the district wants to work on in the coming years. Share this form or include the results on the triennial assessment that is shared with the public.
