## Teachers, Parents, Students—Together for Success

### In The Classroom

- Provide number flash cards to help identify numbers.
- Provide fluency drills to help students reading accuracy.
- Provide researched based activities to aide students learning in the class-room.
- Provide students with math manipulative to increase fluency with number recognition.

### At Home

- Parents will participate in assisting students with the use of number flash cards to help with number identification.
- Parents will work with students on fluency drills to assist with increasing students reading accuracy.
- Parents will help students by utilizing researched based activities to help students reach their individual reading goals.

### Students

- Students will practice fluency drills at home to increase their reading ability.
- Students will practice number identification to increase their ability to recognize numbers.
- The students will practice sight words with parents each night.
- Students will complete supplemental work as needed for reading comprehension.

## What is the Family-School Compact

A School-Parent compact for achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## Jointly Developed

The parents, students, and staff of Huie Elementary developed this School-Parent Compact to focus on improving student achievement. Teachers suggested home learning strategies, parents added ideas to make it more specific, and students told us what would help them to learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time

## Activities to Build Partnerships

Huie Elementary School will organize and host various events to promote Parental Involvement in our school. The Parent Resource Center is available for parents to use. Instructional resources are available to assist students at home.

Other activities will take place such as:

- Curriculum Nights (literacy and math)
- Parent Academy (parent classes)
- Grandparents Day
- Pastries for Parents

More information will be provided as events are planned.

## Communication about Student Learning

Huie Elementary school is committed to frequent two way communication with families about children's learning. Some of the ways we plan to communicate are:

- Provide frequent reports to parents on their children's progress
- Provide parent-teacher conferences which will be held annually
- Provide reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of the classroom
- Parent Communication folder (Red Folders)
- Monthly calendars and letters sent home with upcoming events and activities for parental involvement.
