## What is the Family-School Compact

A School-Parent compact for achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## Jointly Developed

The parents, students, and staff of Huie Elementary developed this School-Parent Compact to focus on improving student achievement. Teachers suggested home learning strategies, parents added ideas to make it more specific, and students told us what would help them to learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time
