

SCHOOL-PARENT COMPACT

Huie Elementary School and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Every Student Succeeds Act (ESSA), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State high standards.

Jointly Developed

The parents, students, faculty and staff of Huie Elementary School developed this school-parent compact for achievement. Teachers suggested home learning strategies and parents added ideas to make them more specific. Students also told us what would help them learn. The compact is intended to guide student instruction and parental involvement. Meetings are held during each school year to review the compact. Parents are encouraged to provide feedback and or suggestions at any time.

Communication about Student Learning

Huie Elementary School is committed to two-way communication (face-to-face & virtual) with families about children's learning. Some ways you can expect us to communicate with you are:

- Teachers will post a minimum of two grades weekly for parent's review in Infinite Campus
- Parent-teacher conferences will be held. During the conference, the teacher shall discuss the compact as it relates to the student's performance
- Reasonable access to staff, opportunities to volunteer and observe their child's class. School-wide notices will be communicated to parents via Class Dojo, school marquee, school website, school messenger phone calls, and flyers. You may also contact your child's teacher via email.
